convention shall have written or printed on their ballots, "for a convention;" those opposed shall have "against a convention," written or printed on their ballots. The persons appointed to superballots. The commanding general, to whom the same shall be returned, shall ascertain the total vote, and if a majority of the whole number of those in any state shall have voted for such convention it shall be held. If a majority shall have voted against the total votes for such convention it shall be held. If a majority shall have voted against the total votes for such convention it shall be held. If a majority shall have voted against the voted and small arms by the war and it is now allowed and the same of the same and made a "the ware" the ballots of the same and made a "the war and put he war and it is now allows the convention to the loaded off. The convention is a possible to handle, the resolution was similar theory of the water of the temper of the house as to adjournate the temper of the water and put he ware for the water and put he temper of the wate

Mr. Barks then offered Mr. Logan's rais elected as members of the convex resolution, modified as present to make an official expression of which this is supplementary, and as to relate the purpose to make an official expression of the people, but that the people there of the people, but that the people the color of the people to the properties of the people, but that the people the color of the people to the people to

LATEST-THE FLOOD FALLING.

subsided. The Crutchfield house has been reopened and business resumed gen-erally. The rolling mill and big tannery are all safe. Sutlertown is swept away. The bridges between Bass Station and Stevenson are gone, with three miles under water, which in some places, is five feet deep. A short distance this side of Chattanoga several houses have floated on to the track. About one hundred car loads of freight are ruined. The reported loss of life and suffering for food are greatly exaggerated. A thous-and men are at work on the road. The bridge at Running Water will be com-pleted to morrow. Chattanooga creek bridge will be done Tuesday night. By We take the following graphic sketch of the flood in Cincinnati from the Competed to pass through, transferring care per steamers at Bridgeport. Trains are running to Chattanooga from Atlanta, Viewed from any elevated point in the city, such as the roof of a building overlooking the river, or from the span of the suspension bridge, the flood at this point is a spectacle at once grand and washed away. The great bridge at Louward washed away. The great bridge at Louward washed away.

And the state of t A DEPRAVED CURRENCY.

ate had each agreed to a separate special committee for this purpose, but he thought the investigation could best be made by a joint committee like that en retrenchment. The treasury department desired the investigation, to set at rest false reports circulated for speculative

now on special deposit in the treasury, now on special which was passed. which was passed. which was passed. a majority shall have voiced against the convention no such convention no such convention shall be held.

Mr. Drake said he did sot like the provision of the bill as reported on the subject. He did not think the individuals lested as members of the convention was adopted.

Mr. Batiks then offered Mr. Logan's previous resolution, modified so as to provide for the appointment of a mili-

twenty-two against twenty-one.

Mr. Edmunds moved an amendmen that at least three-fifths of the registered oters shall vote on the question of ratification. Several other amendments were offered Mr. Wilson offered an amendment, as an additional section, that the duties im-

an additional section, that the duties imposed by this act upon the commanding officer gray, by his consent, be transferred to the governor, upon his taking the oath prescribed by the act of July, 1862. The amendment was rejected.

The bill was then, at 7:45, taken out by the committee of the whole, and reported to the square. to the senate. Mr. Drake renewed the amendment voted down Thursday, providing that a vote shall be taken in each state for and against a state convention to form a constitution, and, according to the result of this vote, a convention shall or shall not

be held. The amendment was adopted.

Mr. Edmunds moved to amend by requiring that a majority of registered voters shall vote on the question of callng a convention

The amendment was adopted.

Mr. Sumner moved an amendment, as a proviso, that the constitution of each state shall require the establishment and maintenance of a system of common schools, open to all without regard to The amendment was disagreed to:

MASONIC DIRECTORY. WENTHIS APPEAL

On motion of Wilson, of Iowa, the latter clause was stricken out.
Mr. Cook moved that, instead of the

point is a spectacle at once grand and appalling. It is said that a first view of Niagara Fails disappoints the beholder. Niagara Fails disappoints the beholder of the preconceived ideas of that wonderful phenomenon invest it with immensity, sublimity and greatness; but it is only long contemplation, or the familiarially which a thoughtful disposition establishes, that these qualities receive due recognition, and the transcendent character of that mighty and perpetual flow of water impresses likelf upon the mind.

To those accustomed to take only a presing casual glance at the moving world around them. It was not a fail washed away. The great bridge at Loudon is all safe. The flood did not reach it by ten feet. Another bridge over the Holstein, one thousand feet long, missione forty-eight feet and eight inches above low water mark. The water rose within ten inches of the bridge. Clinch river is very high, but the bridge on the Kentucky and Knoxville road is all safe. The only break on the East Tennessee and the present of the virginia railroad, north of Bristol, is washed away. The great bridge at Loudon is all safe. The flood did not reach it by ten feet. Another bridge over the Holstein, one thousand feet long, mission forty-eight feet and eight inches above low water mark. The water rose within the bridge on the Kentucky and Knoxville road is all safe. The only break on the Loudon is all safe. The flood did not reach it by ten feet. Another bridge over the Holstein, one thousand feet long, mission is all safe. The water rose within the bridge of the bridg world around them, it may seem a little being gone. It is estimated that sixteen or indifferent thing to look upon the wild waste of waters that prevail above, before, below and within the city at the prevail above of the Strawberry Plains bridge are swept of the Strawberry Plains

the initial season for the relation countries of private size of the season for the relation to the season for the relation

Mr. Fessensien favored and Mr. Frelingbayern opposed the amendment.

Mr. Cook moved that, instead of the
coin and bullion being sold, it be paid
into the treasury, which was agreed to.

The joint resolution, as amended, was
vention to "rebela" at all in the be-

yeas 20, nays 20.

The question was then taken on passage, and the bill passed—yeas 38, Near Union, : : and Hendricks. lemocrats were absent. he senate of that state :

W.E. bave secured the valuable services of Maj J. J. BUSSHY, formerly of Pine Bind Ark, and his numerous friends will beveafus and him connected with our establishment, where he will be pleased to see them when when the little and the security. His multistical attention will be described to the interest of the pairons of the liceuse, and his planting and mercantile friends in Arkansas and steephers.
